Wide latitude was given by the committee to competing architects, and beyond a few general hints, and the restrictions imposed by the rules of the American Institute of Architects, competitors were left to work out the problem in the way that seemed to

The plot of ground on which the Memorial Institute is to be creeted has a frontage of 379 feet on the Boule-vard, between Grove and Hanover Avenues, and extends back 730 feet, building will face approximately The ground is deeded by Lee which has a right in the Solfliers' Home property until March 3, 1914, with the concurrence and approval of the State by act of Legisla-

The main entrance front is to face 100 feet back from the street line this point the grade line at the building will be level, and will be sufficiently elevated to allow a gradual descending grade from the building in all directions, the descent from the Battle Abbey to the Boulevard being about three feet.

about three feet.

Of Southern Descent.

The junior member of the successful competitor is a son of the late Dr Wharton Sinkler, a former South Caro-linian, who lived in Philadelphia for many years prior to his death last

It is a coincidence that the grand-father of Architect Sinkler and the father of William Churchill Noland, the professional adviser, were officers on the same ship of the old United States Navy, in the years before the

War Between the States.

While the work of the executive committee of the Confederate Memorial Association will continue for a long time to come, and there are man problems yet to be met and conquered there is a feeling of relief that a long stage of the journey has been traveled It has been a far cry from the incep-tion of the movement for a great me-morial, to perpetuate the deeds and memories of the heroes of the sixties. to the final adoption of plans for a building. Securing the money, deciding upon the city where the structure was e located, selecting a site, all consumed time and demanded unre-mitting attention. So the committee adjourned yesterday in happy mood.

Walter Stahl, twelve years old, of 10 Independent Street, Waverly, who had just played the part of a hero and saved the life of his playmate, William Engle, dragged his weary little limbs into the home and cuddled up close to a heater to dry his wet and half-frozen clothes, he was promptly caught by the ear by his mother, laid across her knee and soundly spanked Little Walter didn't consider that much of a reward for a hero, but he admitted to-day that he didn't mind the spanking much, because he was so cold that he was in a humor to appreciate almost anything that had a tendency to warm him up.

"And when ma found out how I came to be soaking wet she was so sorry she had spanked me that she sat right down and had a little cry over it, and then hugged me and called me a hero." said little Walter this morning, with a grin. "So I don't mind it."

At his home, in 628 Homestead Aveinind it.

At his home, in 628 Homestead Avenue, this morning William Engle narrated in boyish fashion the thrilling details of how Walter saved him when he broke through the Ice while skating on a small lake in Venable Park.

does not affect the acceptance of equipment now under construction or con-Must Use Steel Cars.

REPLIES TO CHARGES MADE BY HIS BROTHER

Senator Lesner Brands as False All Statements That "Slush" Fund Was Raised-Declares Political Enemies Responsible.

[Special to The Times-Dispatch.] buted is not denied, but the statement Norfolk, Va., January ----Senator that any part of it was used in the John A. Lesner to-night, in a statement payment of poll taxes is denied.

Ar. Lesner states that Edward Lesaplying to the charges of his brother hat a "slush" fund was raised in Norfolk county for the registration of voters, brands as unqualifiedly talse all statements to this effect, and declares that the attack was fathered and made through the conspiracy of

in his statement, but declares that it is his enemies. The statement admits that there was a meeting of political leaders, opposed to prohibition, that a subscription list was started, and funds for some reason not be a subscription list was started, and funds for some reason not be a subscription list was started, and funds for some reason not be a such an encounter. The exact cause of the fight has not been made public. Members of the club gave assurance, however, it did not arise from a dispute about a woman or about a man or about a secured for the fight. That a number of men in the county and city, as well as breweries and saloon men contri-

matter of right and justice, let rules go to thunder." The poin order was pressed and sustained,

PRINCE REDUCED TO BLANKET.

As the list of eligibles for promotion or appointment would be made public it would be almost incumbent upon the President in his appointments to be guided by it, and political appointments, it is believed, would become impossible.

In addition to this regulation, the Lowden measure proposes an increased salary list for secretaries o lembassics and legations. At present it is recognized that the under-members of the diplomatic corps are not expected to live on their salaries, any more than is an ambassador at a Europeau court. These salaries run down as low as \$1. 600 a year, and the pending bij raises on the train arrived at Breslau, however, the number of passengers had become so great that the officials decided to divide the train into two parts. This was done without the knowledge of the valet or

one a great that the officials decided to one a great that the officials decided to one a great state of the prince and the pending bill raises did the train into two parts. This was done without the knowledge of the valet or the prince, and it so happened that the train salary is expected to widen the list of eligibles, as more men of small means would be able to enter the service.

Must Use Steel Cars. thing left for the prince to do was to hire a blanket from the sleeping car porter, envelop himself in it, and make a dash for the waiting-room, where he sat shivering barefoot, in the cold until the arrival of the second part of the train.

ACCIDENTALLY ENDS LIFE.

Hampton Man Inhales Chloroform to Relieve Hendache.
[Special to The Times-Dispatch.]
Hampton, Va., January 22.—Robert Elton Williams, thirty-four years old, was found dead in his room in West Queen Street this morning. He had saturated a handkerchief with chloroform and buried his face in it. Dr. George E. Vandersliee, the coroner, gave a certificate of death from accidentally inhaling chloroform, as it was shown that Williams often used the drug to relieve a headache. He conducted a small drug store, and was the son of the late Nathaniel Williams. A wife, one child, his mother, a sister and brother survive him. New Orleans, La., January 23.—Attorney-General Wickersham has asked for the immediate resignation of United States District Attorney Charles R Beattle, of New Orleans, according to a special Washington dispatch printed
